

FAA Safety Team Presents: Pitfalls for Pilots Safety Seminar.

You may have made the same decisions that these pilots made before or during your flight. The only difference is that they had an accident or got violated. Are you a better pilot or is it something else. Join us as we discuss Human Factors, accident investigation and accident review.

Directions: The Public Safety Building is located at the end of the road beyond the Airport Administration building at Cedar Rapids Eastern Iowa Airport.

A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
